HALLETTS ASTORIA LLC invites you to a Public Information Session at the Astoria World Manor (Empire Room), 25-22 Astoria Boulevard, Astoria, New York 11102 from 7:00pm until 8:30pm on Monday, February 22, 2016.

HALLETTS ASTORIA LLC is proposing the construction of a mixed-use development which includes two residential towers. The residential building will have a low income component comprising at least 20% of the units. The purpose of this Public Information Meeting is to inform and involve the public during the SPDES permit application process for the HALLETTS POINT BUILDING 1 water treatment and discharge operated in connection with the dewatering activities as part of the planned excavation/construction for the property.

This session is being held in order to conform with NYSDEC Commissioner Policy-29, Environmental Justice and Permitting (CP-29). It will include an informational presentation regarding the HALLETTS POINT BUILDING 1 facility permit application submitted by HALLETTS ASTORIA LLC followed by an opportunity to ask questions and provide comments related to the permit application.

Additional information about this project can be found in a Fact Sheet and other project materials, available for public review at the following local Document Repository: Queens Public Library, Astoria Branch, 14-01 Astoria Boulevard, Long Island City, NY 11102 (Tel 718-278-2220).
